

Risk Assessment for Mobile Laser Tag

Step 1	Step 2	Step 3	Step 4	Step 5		
Identify the Hazard	Who might be harmed	Risk Rating	Practice in Place	Action Required	Responsible Person	Date Completed
Arrive at and driving onto playing area	Bystanders Crew	Med	Park offsite and Assess playing area and driving route on foot prior to driving onto area.	If reversing, normal care to be taken to avoid hitting people and property.	Driver	Every session
Power leads used to inflate inflatables - Tripping or electrocution hazard	Bystanders and Crew	Med	Keep all bystanders off playing and set-up area. Caution used by Crew to avoid tripping and proper use of extension leads. Cordless blowers used where appropriate	Only trained staff to use power inflator. Generator to be used for large bunker packages, cordless blowers for small bunker packages.	Crew	Ongoing
Liability	Company	Low	Signed Indemnity / Acknowledgment form received on arriving at site.	Form sent by email or extra forms supplied at party.	Crew Leader	Every session
Risk of Injury and/or Death	Participants, Bystanders, Crew	Low	Venue host to be made aware that Laser Tag is a physical activity with attendant risks, and that all participants must have parental permission to play. For School Fetes/Fundraisers etc a "Play at Own Risk" notification must be prominently displayed at the ticket counter	Noted in the LaserWarriors T&Cs attached to the booking, and the Indemnity / Acknowledgement to be signed by the Venue Host.	Crew Leader	Every session
				Ensure notification is displayed	Crew Leader	Every session
Foot injuries	Players	Low	Crew is to advise participants prior to party.	Inspection - notify venue host immediately	Crew Leader	Every session
Tripping, stabbing, impact, falling, drowning hazards	Participants, Bystanders, Crew	Med	Venue host is responsible to remove or identify tripping hazards, sharp or pointy obstacles, building materials and debris, children's toys, and low or fallen branches. Playing area away from bodies of water, swimming or wading pools. Cliffs or substantial drops should be roped off and not near the playing area. Players are led around the playing area. Boundaries and any hazards are made obvious at this time. Family pets and young children (not playing) need to be kept off the playing area.	Inspection and remediation of hazards performed by the Venue Host prior to play commencing.	Venue Host	Every session
Weather forecast	All attendees	Low	Weather forecast obtained prior to party	Dialogue between LaserWarriors HQ and Host, and crew and Host at the event	Crew	Every session
Light Rain	Participants Crew	Low	Play continues during rain, so slipping on wet surfaces needs to be brought to the attention of all participants and bystanders.	Inform players and Crew of dangers. Discuss with Venue Host	Crew Leader	As required
Lightning, Thunder or Heavy Rain	Participants and Crew	Low	If lightning or thunder is nearby, or if there is persistent heavy rain, play must cease immediately, and a safe refuge utilized until it is safe to resume or commence play	Move to indoor or safe location	Crew	As required
Player collisions	Participants Crew	Med	The risk is made apparent in the disclaimer and the "No Physical Contact 1 meter rule" is stated during the briefing. Playing rules outlined at briefing restated during play to players not observing the rule.	Observations and regular mentions are made during the sessions. Venue host to enforce player behaviour when requested by Crew	Venue Host Crew	Every session
First Aid Requirements	Participants Crew	Low	First Aid required by any participants will be responsibility of the Venue Host.	Venue Host to be present at all times.	Venue Host	Every Session
Heat/Dehydration Sun Exposure	Participants Crew	Med	Advise all participants about UV levels, sunscreen requirements, and fluid levels prior to and during play.	Have drinks breaks between each game or as required. Venue Host to ensure sufficient drinks/bubblers are available	Venue Host Crew	Every session
